**Classes paid in full** prior to September 5, 2010 = 10% discount.

Payment is due the 1st of each month and is late after the 7th of each month. Full monthly tuition fees are due each month even if you choose to have your child not attend class. (Example: not taking classes in December. Tuition fee is still due to hold your child's place in those classes. Teachers salaries and overhead are not adjusted for absences.) Missed lessons may be made up after your child's return.
